EU CONVINC

In the framework of the joint European project EU CONVINC (EU Common Values Inclusive Education), ETUCE (European Trade Union for Education), EFEE (European Federation of Education Employers) and ESHA (European School Heads Association) are pleased to announce an **online survey** conducted in English, French and Russian and invite all members, EFEE members and ESHA members to identify and analyse national findings related to challenges and good practices on the implementations of the contents of the [Paris Declaration](#) on local level. The data collected and analysed, with practical examples, will be presented in a survey report.

The online survey will not be anonymous, however the data gathered will remain confidential. The survey should be completed on behalf of national organisations affiliated to ETUCE, EFEE and ESHA.

The online survey will be available as of **13th July 2018 until 22nd September 2018** and will follow a multiple-choice format with open boxes for additional information on national experiences and views. The survey should take around 60 minutes to complete.

The online survey is divided into 6 chapters:

Civic education and democratic-school culture;

Teaching in multicultural learning contexts for intercultural dialogue in formal and non-formal education;

Teaching controversial and sensitive issues;

E-safety issues: Misinformation, digital responsibility and ICT critical-thinking;

School-leadership and 'the whole school approach';

Inclusive education to prevent violent radicalisation and extremism

Note: Full completion of the survey is a pre-condition to take part in one of the training workshops which will take place in 2019 in Rome, Paris and Berlin.
